

Bile Them Cabbage Down

With Thumb-Pinch ~ all melody played on the 3rd String

Bile them cabbage down bake them hoecakes brown the only song that I can sing is

bile them cabbage down.

You can play this tune by using a simple “Thumb-Pinch” pattern:

To do the “Thumb-Pinch”, first you first pick a melody note with your Thumb (in this case melody notes will always be played on the middle or 3rd string). Next, to get the Pinch use your Middle finger to pick the first string (ie the string farthest from you) while you pick the 5th string (the short string) with your Thumb (ie you are simply picking the two outside strings simultaneously)

Before you try playing the tune practice the “Thumb-Pinch” exercise below.

The Thumb Pinch - warm up!
